# Introducing SeaLead

---

**2017** Founded  
in

**40** Countries

**16<sup>th</sup>** AlphaLiner  
Ranking in 2024

**2.5** Million  
TEUs in 2023

**42** Fleet of  
Operating Vessels

**33** Ports  
Coverage

A woman wearing a white hard hat, an orange safety vest over a blue shirt, and a blue walkie-talkie on her chest. She is looking off to the side with a slight smile. The background shows large orange shipping containers under a blue sky with light clouds.

## Your flexible container shipping line

---

- At SeaLead, we aim to provide easy and flexible solutions to improve trade across countries, companies and people. Today, we operate a fleet of 42 vessels and cover 33 ports to serve our customers with the movement of their goods between the Far East, Southeast Asia, the Indian subcontinent, the Arabian Gulf, the Red Sea, the Mediterranean, Africa, Oceania and South America.
- We have grown rapidly with our decisiveness, flexibility, and a strong team of dedicated, motivated and highly qualified staff. Together with a network of professional agencies, SeaLead can immediately respond to the frequently changing needs of our customers.

# Why choose SeaLead?

We have evolved from a one-vessel operation into a globally-recognised business with a modern fleet, equipped with the latest technologies.

## Partnership mindset

We like to be seen as partners with our customers and other stakeholders, including terminals and equipment providers.

## Efficient & flexible

As a small team we are able to focus on delivering a fast, flexible and efficient service in all areas.

## Competitive pricing

We always aim to provide market competitive rates for our customers.

## Reliable services

We are dedicated to offering consistent and reliable service.

## Modern fleet

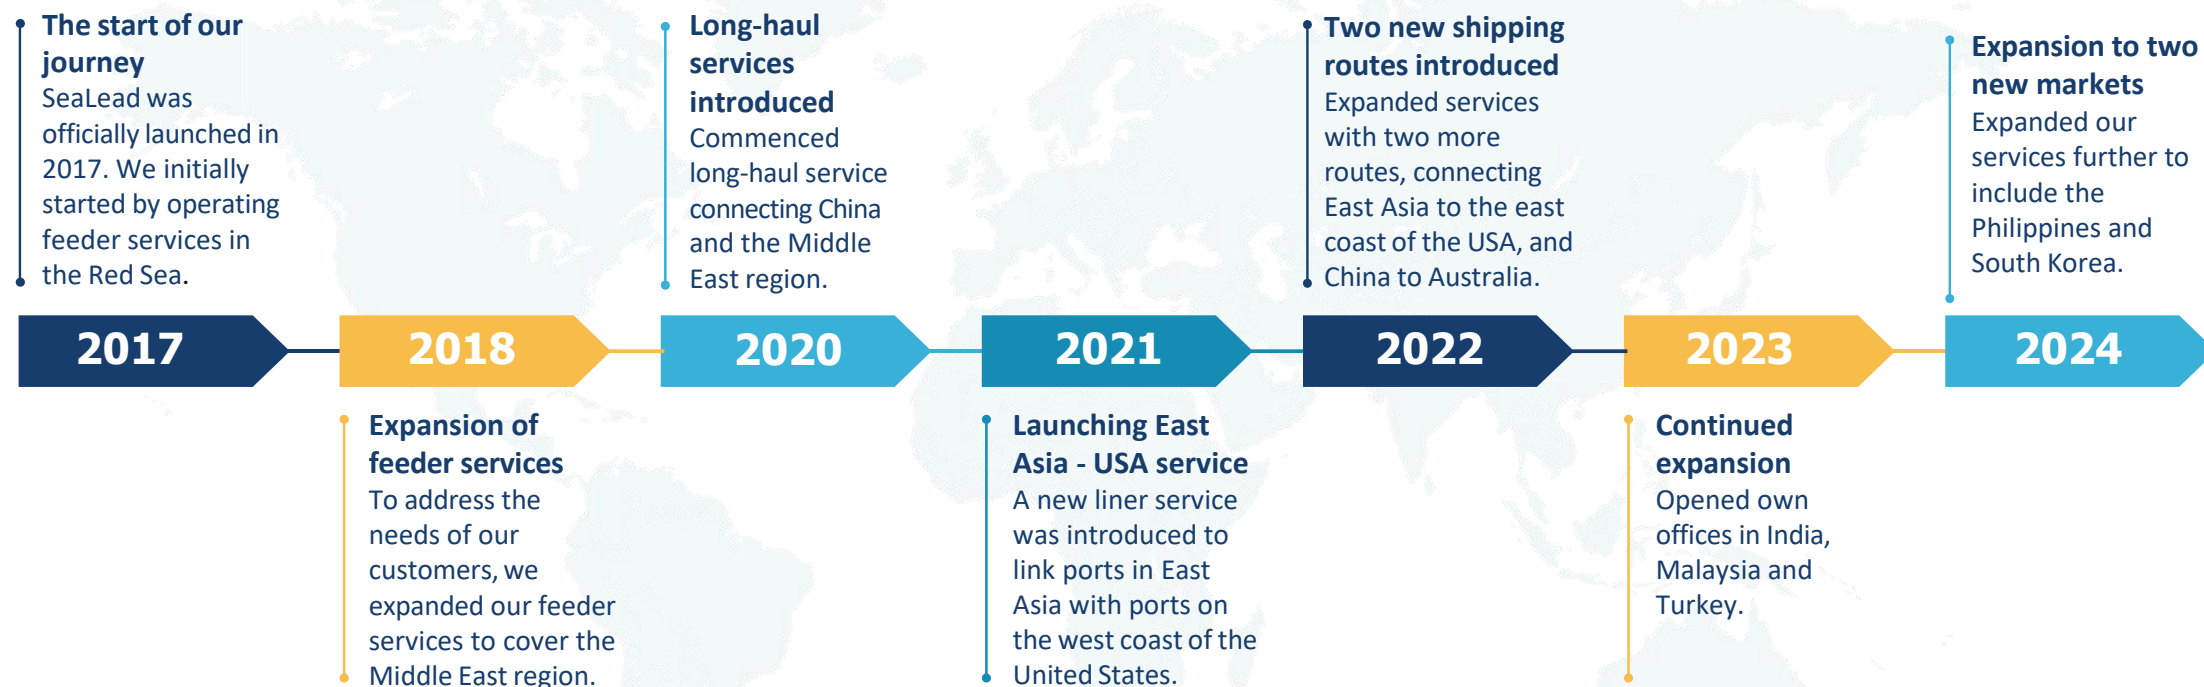

As a new shipping line we operate a modern and efficient fleet.

## A full range of solutions

We offer a range of equipment solutions for all customer requirements.

# Our history and continued efforts

## Our tailored equipment and cargo solutions

---

- SeaLead has access to owned and leased containers that support all shipping requirements.
- Whether your needs are 20' or 40' containers, dry, reefer, or special equipment, SeaLead has the options that you need. Our dedicated team can tell you more about our wide range of equipment and cargo solutions.

A full-page background image of a male worker in a white hard hat, orange high-visibility vest over a light blue shirt, and white gloves, holding a black tablet. He is looking upwards and to the right. The background consists of stacked blue shipping containers with white text and yellow safety markings.

## IT & Digital

---

- Our aim is to keep providing superior service to our customers across the world. Therefore, we continuously invest in technology, digitalisation and our people.
- SeaLead has already established Electronic Data Interchange (EDI) connections with most customers, port authorities and terminal operators to ensure smooth processing of goods, shipments, invoicing and more - ultimately saving costs, paper and time spent.

# Our people are our most important assets

---

- Our team consists of highly experienced people who are on a mission to simplify international trade and facilitate our customers with flexible, reliable and timely services.
- We care about the details and we are willing to take the extra step for the benefit of our partners and industry.
- We hire people who are skilled at overcoming challenges and who look for the best solution for the customer.
- Given the nature of global shipping, our people are experienced and very conscious of the importance of the environment and safety.

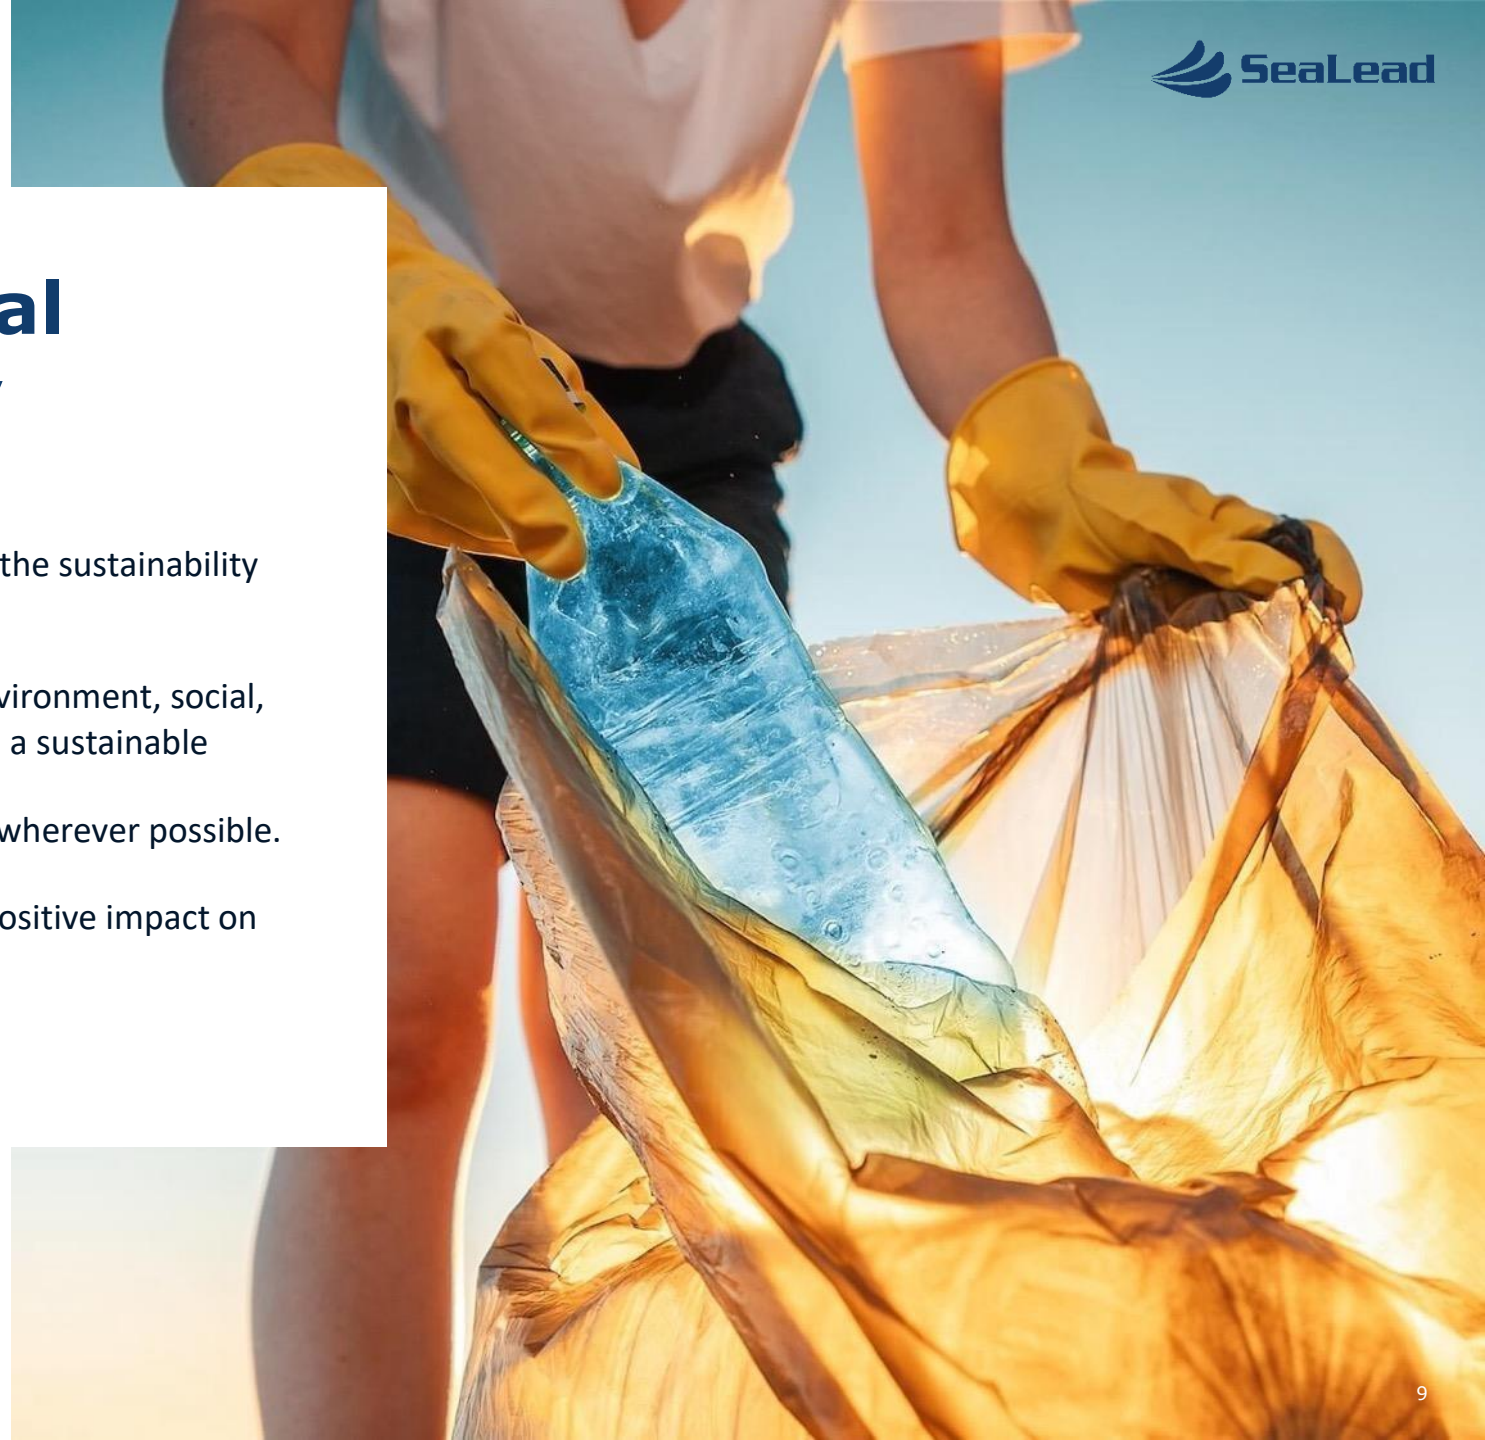

# Our environment, social and governance policy

---

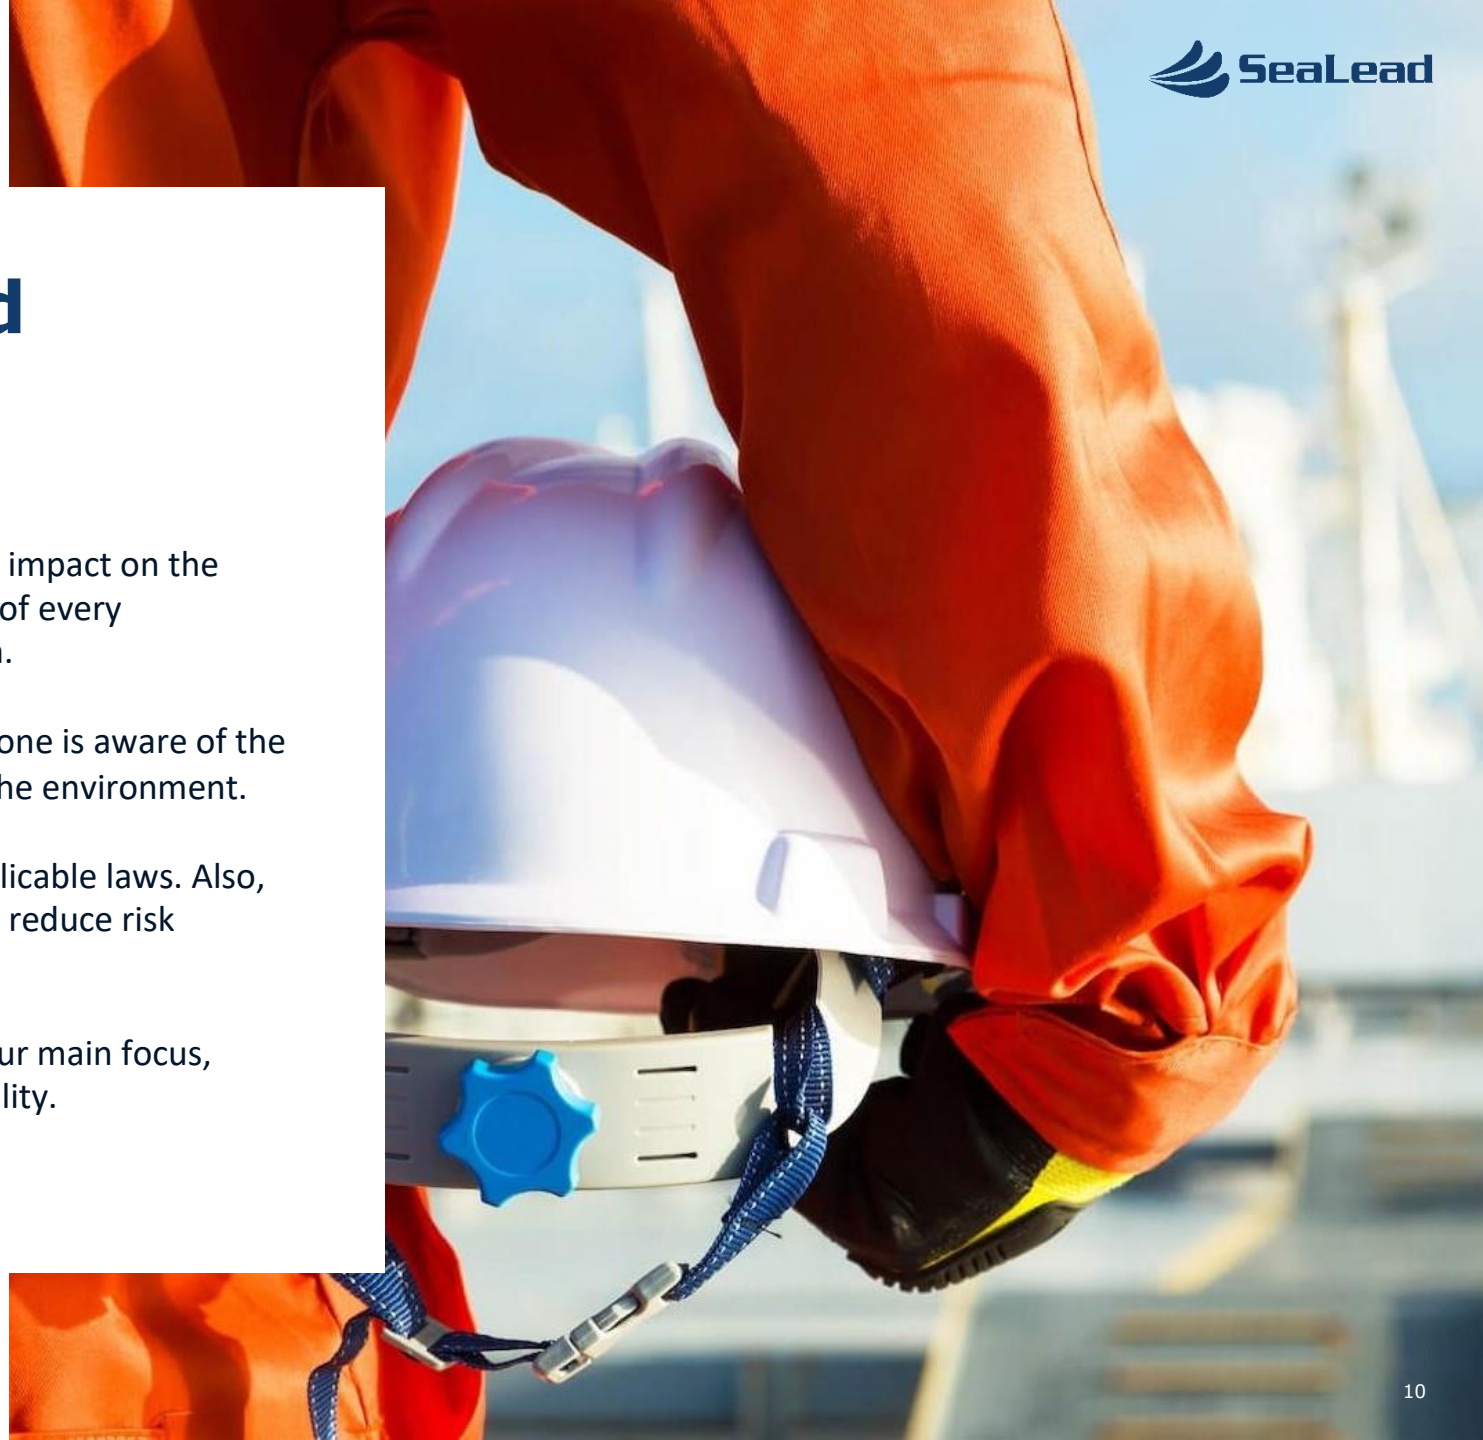

- We believe that all shipping lines have a commitment to the sustainability of the planet.
- With this in mind, we will be making commitments to environment, social, and governance (ESG) policies to ensure we play a role in a sustainable
- We work closely with our customers to minimize impact wherever possible.
- A key part of our ESG policy is ensuring that we make a positive impact on the communities that we operate in.

# Our quality, health and safety promise

---

- As an industry that has the potential to have a significant impact on the environment, we aim to safeguard the health and safety of every employee, customer, partner, and location we operate in.
- We take all the necessary measures to ensure that everyone is aware of the responsibility to themselves, to their colleagues, and to the environment.
- Our minimum standard is to comply with all national applicable laws. Also, we train, where appropriate, partners and contractors to reduce risk to all.
- Ensuring the safety of our employees and your cargo is our main focus, while maintaining the highest levels of quality and reliability.

# Connecting five continents with our shipping routes

---

- At SeaLead, we are committed to providing high-quality, efficient, timely connections to our valuable customers.
- We operate a modern fleet of vessels and cover many ports to serve our customers with the movement of their goods between Asia, South America, Middle East/Africa, Australia, Asia and Europe.
- Our well-experienced team can help you select the best trade lane and tell you more about our wide range of shipping solutions.

# Working with the world's best

## Vessel Partners

# Working with the world's best

---

## Vessel Sharing Partners

# Working with the world's best
